Product description

Exceptionally a chameleon sculpture carved by our master of artistic blacksmithing in our studio. Figure made by hand methods, entirely of stainless steel. A sculpture perfect for home, office or garden. The sculpture is large, heavy and exclusive, perfect as a gift for people who like nature.

The chameleon is presented in a typical position, on a small tree, which is also an element of the presented sculpture. The whole thing is very stable and can be easily placed anywhere.

Upon request, we can also make the forged chameleon in any other position and in any size.

Dimensions of the offered sculpture:

Weight : 8,5 kg - 18,7 lb

Height : 60 cm - 23,6 inch

Width : 26 cm - 10,2 inch

Depth (length from the edge of the branch under the right paw to the edge of the tail bend): 56 cm - 22,5 inch

Total length of the entire chameleon, measured along the body, including the tail : 136 cm - 53,54 inch

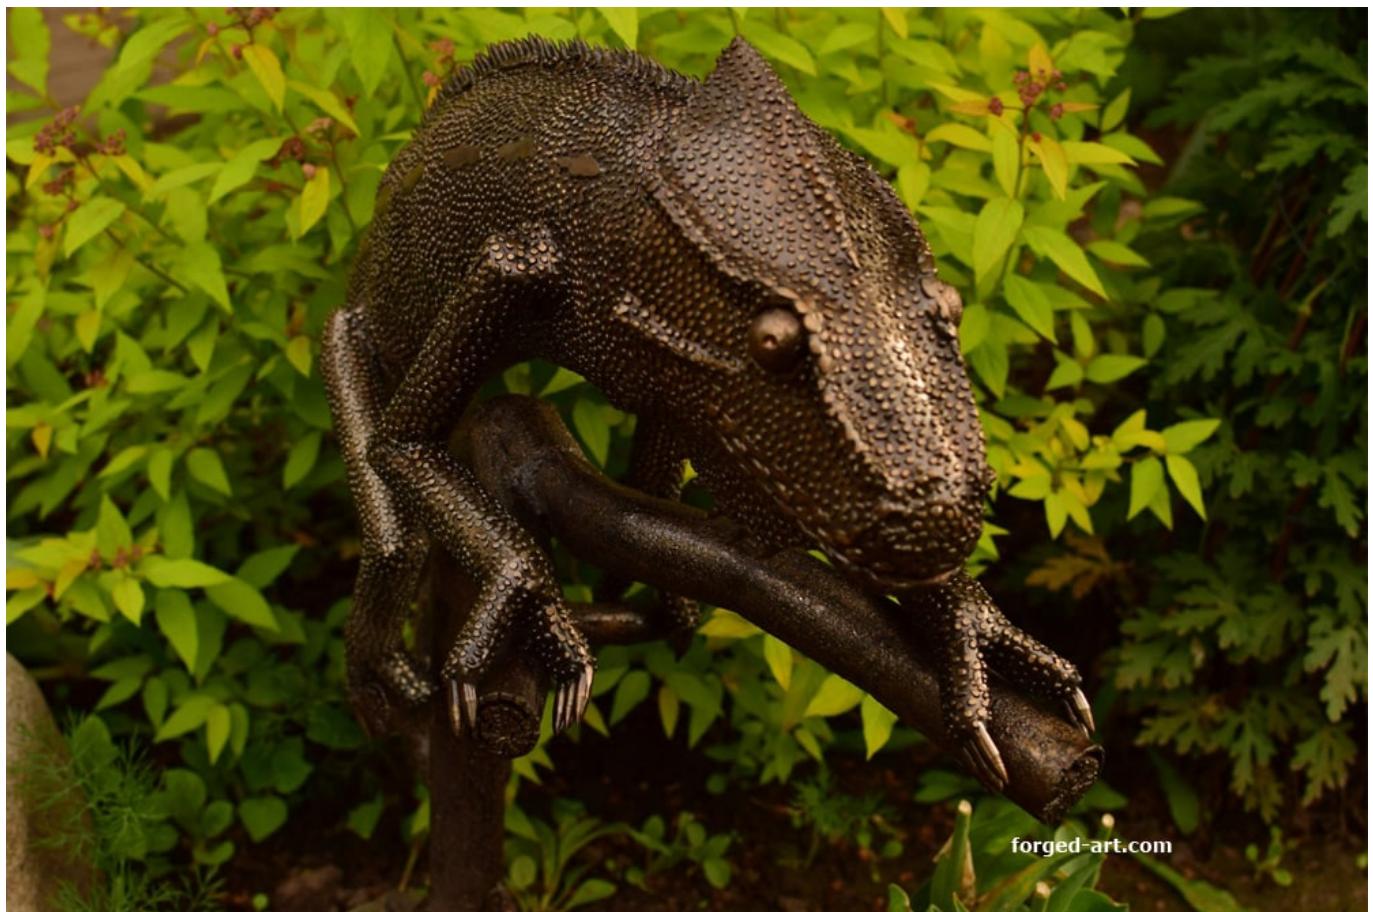

Chameleon figure stainless steel

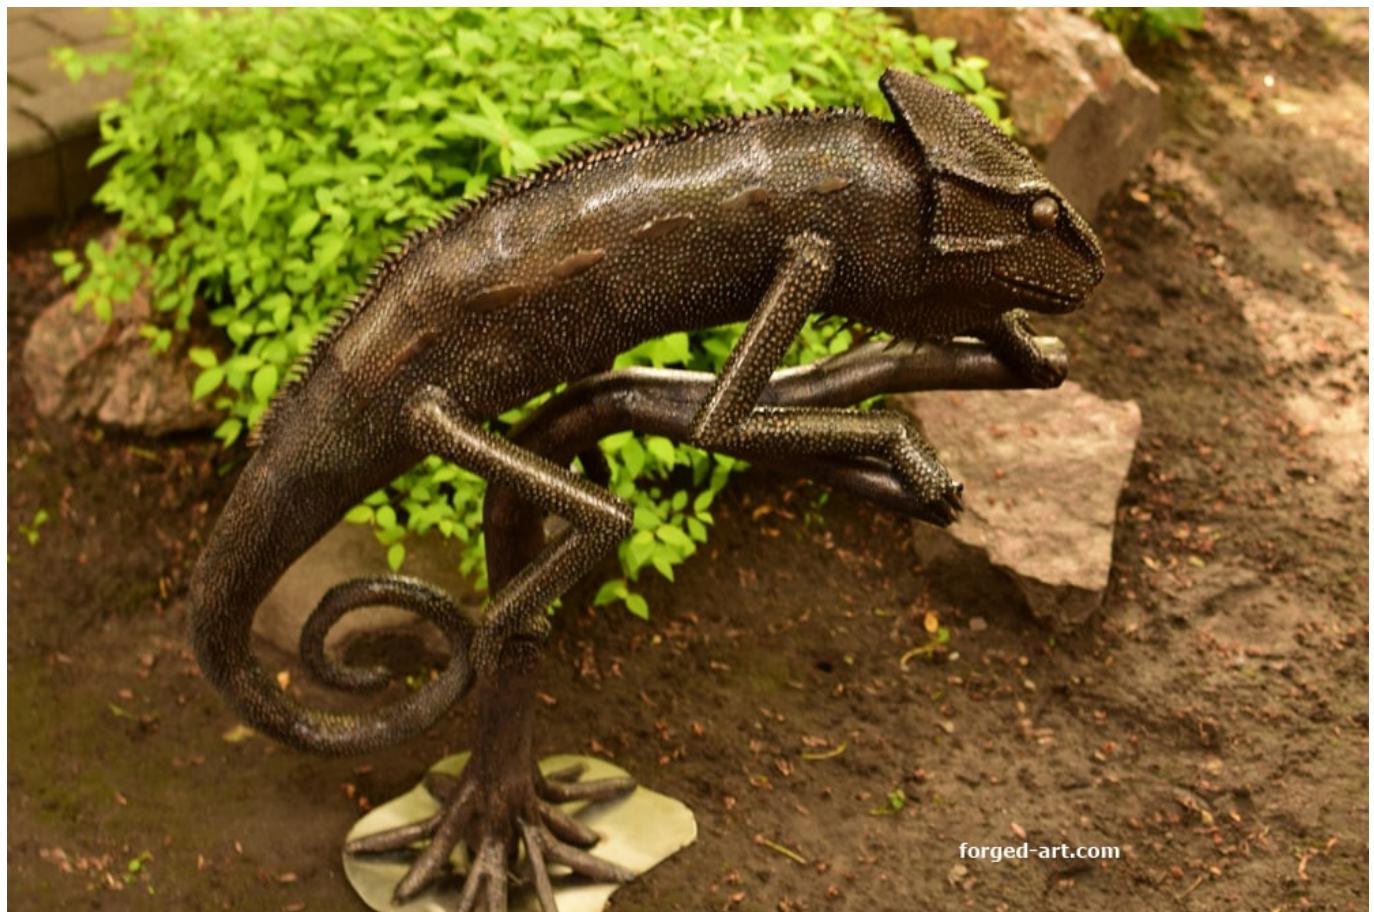

The chameleon is placed on a wrought tree

Each of our forged sculptures is slightly different because each is made by hand

The presented forged chameleon sculpture will be a unique gift for your loved ones

All our sculptures are made by hand so that each is slightly different and has its own character. The main feature that connects each of our sculptures is high quality of workmanship and attention to detail. We put our whole heart into every project. Some of our figures are currently in stock and can be shipped immediately. If we do not have a figure in stock, we make it especially for a given customer. Usually our forged carvings will be made and shipped in 30 days or less. If the figure is currently in stock, the shipping time is only a few days.
