Product description

A statue of a hand-made forged dragon with spread wings emphasizing all the qualities of a dragon. The dragon is in an attacking position, all details, including the face, scales, and tooth spikes, have been accurately reproduced. Accuracy of workmanship is the showcase of our studio. The dragon was made entirely of stainless steel. The statuette has a base on which the dragon holds its tail. The statuette is very stable, perfect for a desk.

Dimensions: width 30 in, height 20 in, Weight 13 lbs.

The statuette presented above was made by us and is in stock and is available for shipping. If the statuette is sold, we will make a second - almost identical one for the next customer. We are very skilled in making our wrought dragons.
