Product description

A bull sculpture made of stainless steel. The figure is completely handcrafted from our studio made by our master of artistic blacksmithing. A characteristic feature is great attention to detail. The bull is completely resistant to water and corrosion because it is made of stainless steel.

Hand-forged bulls are one of the most frequently made animals in our studio, we have already made many different sizes of bulls and in various shapes of the body. Our bulls are very popular, especially in countries such as Spain and Italy. We can make any size and any shape of the body.

Dimensions of the sculpture we offer:

Height 47 cm - 18,5 inch

Length 88 cm - 34,7 inch

Width 23 cm - 9,1 inch
