Product description

Hand-forged stainless steel door knocker. A door knocker made in the form of an eagle's head holding in its mouth an element that can be knocked on the door. The sculpture is designed to be screwed onto external doors, resistant to weather conditions. Completely hand-made in our metalwork workshop.

An eagle-shaped door knocker

Hand knocker made of stainless steel

Handmade metal eagle head - knocker

100% handmade

sculpture

We make all kinds of door knockers, not only in the shape of eagles. We can make a knocker of any theme and shape.
