### Product description

**Forged door knocker for a fisherman - steel sculpture.** A fish-shaped door knocker made by hand of stainless steel. The perfect gift for a person who loves fishing. The knocker is very solid and loud, made in our artistic blacksmithing workshop. The door knocker is resistant to water, it can be mounted outside without fear that it will rust.

Dimensions:

Weigth about 1,7 kg - 3,7 lb

Height 44 cm -17,3 inch

Height of fish 35 cm -13,8 inch

Width of fish 22 cm - 8,7 inch

On request, we can also make any other pattern of a door knocker, according to any drawing or photo
