Product description

Steel sculpture - a frog sitting on a water lily. A beautiful hand-made figure full of delicacy, the perfect gift for a loved one. The sculpture is made entirely of stainless steel in our artistic blacksmithing studio. Resistant to weather conditions. The sculpture is made very carefully, both the lily flower and the frog are made with the highest precision. The shipping time depends on the current stock level, if the figure is in stock then we will send it immediately. If we have to make it especially for you, the implementation time is up to about 30 days.
