### Product description

**Phoenix - a fiery bird.** A steel sculpture depicting the world's most famous fairy-tale bird that is reborn from the ashes - the legendary phoenix. The figure is made of stainless steel, from dozens of hand-processed elements by our master blacksmith. It is a small sculpture which makes it perfect as a gift to put on a desk. The sculpture is very stable and beautifully made with great attention to every detail.

Estimated weight : 1,5kg - 3.3 lb

Height : 26cm -10.2 inch

Wings width : 29cm - 11.4 inch
