Product description

Fenix - a hand-forged figure made of stainless steel. Perfect gift and ornamental. The figure is completely resistant to rain and water. A sculpture made in our artistic blacksmithing workshop by a master of metalwork.

The figure shown in the photo has been made in such a way that it can be attached to the wall. On request, we can also make any other way of assembling the figure - for example, we can also make a free-standing figure

The sculpture is very large, its dimensions are:

Weight : 5,5 kg - 12,1 lb

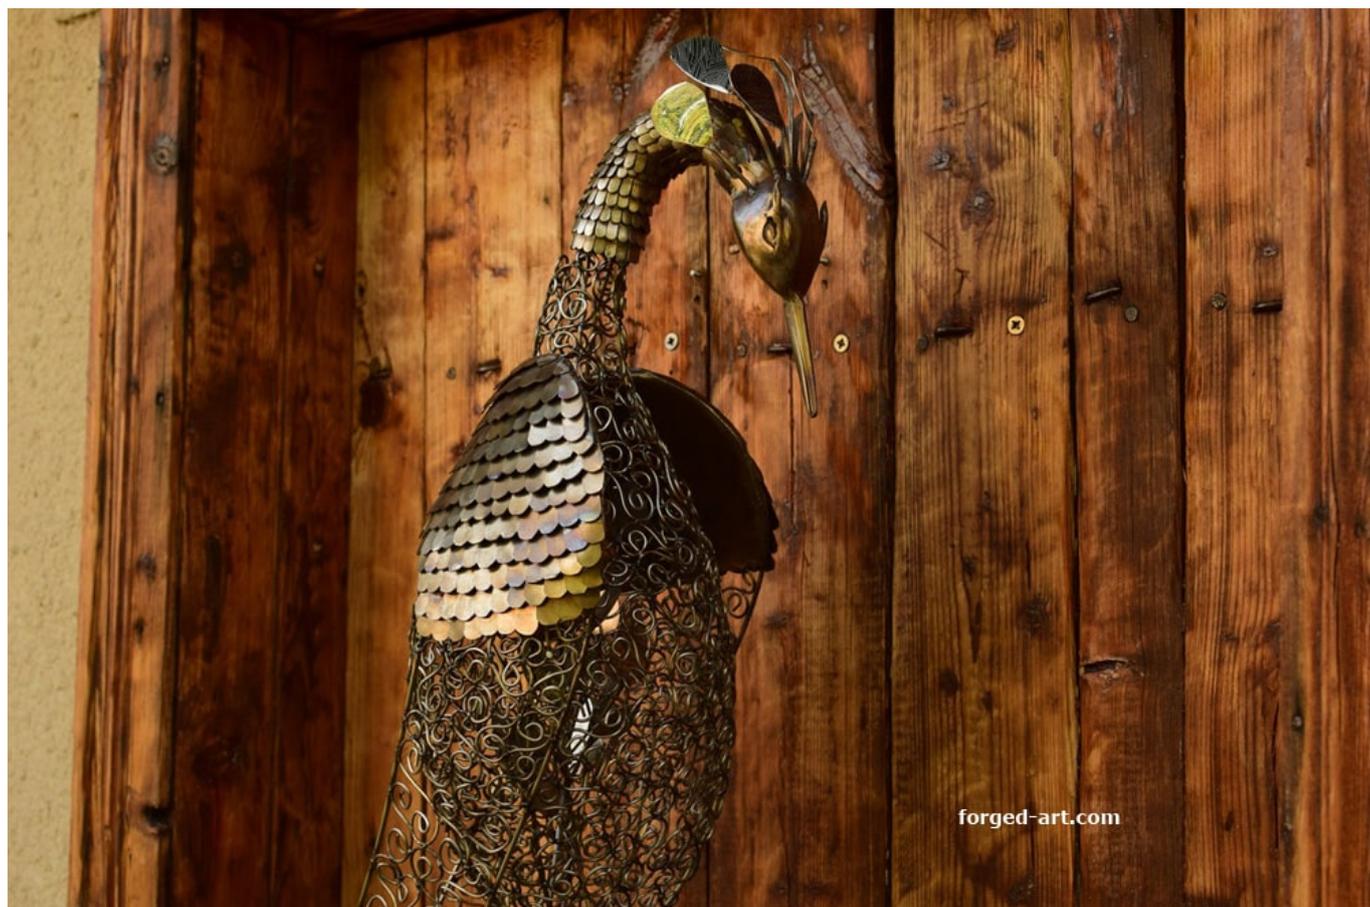

Total height : 130 cm - 51,2 inch

Total width (along the side of the tail) : 42 cm - 16,5 inch
