Product description

Metal sculpture of a bee in a steampunk style. Very high-quality workmanship, completely handcrafted. The bee sculpture is entirely made of stainless steel.

We make all kinds of sculptures of insects and animals from steel, if you are interested in another insect, just write to us and we will make it especially for you.

The bee you see in the photos was made in our artistic blacksmithing studio by a master blacksmith.

Dimensions :

Weight : 0,9 kg - 2 lb
