Product description

Sculpture of a dragon entwining a watchtower. The sculpture is completely handmade of stainless steel. The sculpture is made of hundreds of individual elements combined into one whole. Great attention to detail, colors - natural discoloration of stainless steel. We make our sculptures with great care because artistic blacksmithing is our passion.

Dragon the dragon from the movie Game of Thrones

Figure dimensions:

Weight 13.2 lb (6 kg)

Height 20.08 inches (51 cm)

Width 12.2 inches (31 cm)
